Message from our President

Happy Fall Gator Families,

Well, another month has come and gone, and the temperatures are finally starting to fall. That can only mean one thing; the holidays are fast approaching! November is a time to give thanks for others. I am thankful for all of our wonderful teachers, staff members, volunteers, and especially our wonderful community. With busy lives, it can be difficult to find time to volunteer. However, the benefits of volunteering are enormous to you, your family, and your community. Volunteering at your child's school is very rewarding and help is always needed! Please consider volunteering at some of our upcoming events: Holiday Shop, Holiday Bazaar, Holiday Parties and many more to come in the spring! The PTA has been busy at work this school year already, with back to school events, family events, book fair, and the Fall Festival. I would like to thank all of our Gator families for your continued support in our fundraising efforts! We appreciate all the donations given up to this point, and you can still donate to your PTA to help us reach our goals. We are excited to announce that we have registered with Amazon Smile just in time for Holiday shopping to begin. If you register your Amazon Smile account with Garden Ridge Elementary PTA, Amazon will send 0.5% of your purchase price to GRE PTA, and these proceeds will go towards our goal! Take some time this fall season to spend with family, go for a walk, play a board game or read a good book together. Enjoy one another and have a great Thanksgiving!

Regards,

Jennifer Bassier
PTA President

Reflections

Reflections update - We had 13 wonderful pieces of artwork entered into the contest! Thank you to the students who entered.

Judging has taken place and we will recognize and present awards to these students at an upcoming PTA meeting.

Angel Tree

Give a Little, Get a Lot!

Participating in Service Projects is a wonderful way to help our kids learn empathy & encourage them to count our blessings during a season that can be filled with the Galloping Gimmes.

The GRE Angel Tree is going up Nov. 1 - stop by with your family while you're in the building to choose something from the tree and empower your child to be an angel for someone in their own community.
